## *Nadine Mercey ranked as 'most powerful healer' by TV psychic Karyn Reece*

*Canadian hears angels' voices to follow destiny of raising vibration to heal minds, bodies and souls*

(Toronto, ON) – Energy being directed from thousands of miles away, flowing into a patient's body to increase the internal vibration. Dramatic physical changes being measured by a doctor. An end to pain. Laughter after years of suffering. Hard for some to believe?

"Nadine Mercey is the most powerful healer that I know. She will astonish even her most ardent skeptic," says Karyn Reece, a psychic medium who has appeared on Lifetime Channel, TLC and Discovery Channel.

Mercey's emergence onto the international healing scene has been very quick. Only a year ago she was still holding onto her real estate career – she'd been in the top 3% of sales in Canada – while healing people as a sideline. Now she's conducting readings for Hollywood celebrities and collaborating with the world's top psychic mediums and healers. Nadine Mercey's vibration is so high that she heals other healers.

"During a healing session, I communicate with that person's connecting angel," says Nadine Mercey. "That spirit entity provides instructions about what is required to raise the person's vibration, to restore balance to soul, mind and body. It doesn't matter if I'm in the same room or halfway around the planet."

"Healing happens through creative visualization, and only when intended for the highest and best interest – to help that person progress toward his or her predetermined life purpose."

An inspiring presenter, she teaches about oneness, love and balance – and the importance of laughter. Her personal story is told frankly and amusingly in her new book, **Deeper Souls, Less Shoes**, due for December release. Chapters explaining how high vibrational healing works were dictated to Nadine and other 'conduits' by the Gabrielle Collective of higher spirits.

Pilots have been filmed for a potential TV show and documentary film. Her soon-to-be-launched website at [www.NadineMercey.com](http://www.NadineMercey.com) will have educational videos and links for buying Nadine's own line of healing products.

### BIO: high vibrational healer Nadine Mercey

Raised in Brantford, Ontario, Nadine Mercey never took to formal education. "My mind didn't work like other people's," she said. "I showed signs of mild autism."

For twenty years, Nadine worked in real estate, rising to become one of Canada's top realtors, in part due to an uncanny ability to know the underlying motivation of buyers and sellers. Then she began hearing angel voices and selling haunted houses. Steadily her awareness grew until she was directed to begin moving energy to heal others.

Nadine lives in Ancaster, Ontario with her teenaged sons, Eric and Jaxon. Her website is at [www.NadineMercey.com](http://www.NadineMercey.com).
