Re: AWARE! Fair 2009 – It's About You!

Dear Nadine,

On behalf of the Hamilton-Wentworth District School Board and the Halton District School Board, I would like to thank you for helping us make AWARE! Fair 2009 a success.

Your presentation 'Good Vibrations + Awareness = Our Desire to Expand Our Mental and Physical Well-Being' provided a great introduction to our delegates on how each person's energy field shapes our world, connects us all, impacts all of those that we are in contact with and allows us to improve our state of well-being.

Your knowledge and innate wisdom, not to mention passion for the subject matter was clearly conveyed during your presentation and had delegates riveted for the hour. You skillfully handled questions from believers and non-believers alike, and your compassion and intuitive abilities were both respectful and helpful to those participants that choose to share very personal situations with the entire group.

Clearly the number of people that waited to talk directly with you after your presentation speaks volumes to the interest in this growing field and the rising awareness of our inter-connectivity. I can still vividly recall one delegate approaching me as she was leaving. I was standing speaking to a friend of hers. The friend commented that she had not seen her walk so lightly in a long time. Once this woman approached us, she stopped, asked if she could give me a hug, and then thanked me as an AWARE! Fair Organizing Committee member, for creating the opportunity to hear you speak and experience your talents.

Again, our sincerest thanks on making the day such a success and we hope to work with you again in the future!

Sincerely,

Judi S. Goldsworthy, CRSP
Health & Safety Coordinator
